- Arthur S. Pickoff, MD, pediatric cardiology
- Barbara J. Wolfson, MD, pediatric medical imaging
- **Gary Youra, MD, pediatrics**

The Best Doctors are selected by a confidential, peer-to-peer survey of the medical profession that is sent out every two years by Best Doctors Inc. to build a professional roster of the best minds in medicine. All candidates are reviewed by the research team for current licensure and board certification and are all monitored for any regulatory or malpractice incidents. Of all the doctors in any country, only a small number are selected to become Best Doctors.

About Best Doctors Inc. Best Doctors Inc. is a professional organization based in Boston, Massachusetts with more than 46,000 expert physicians across 400 subspecialties. Each physician expert is continuously and systematically evaluated by the leadership team and scored for their quality. This determines how often that expert will be used for future cases.
